

KIMCo-Biocom CA Cross Border Conference

Date : 2023. 10. 17(Tue) 15:00~17:30

Venue : KPBMA 4F Auditorium

Join us at the KIMCo-Biocom CA Cross Border Conference on October 17th. This event promises valuable insights into cross-border partnerships between Korean and American companies. Highlights include IR presentations by renowned Californian Biotechs and discussions on AI in Drug Development. Network with industry leaders during our Networking Reception. This is your chance to explore new opportunities and strengthen global connections. Don't miss out on unique chance to engage in meaningful collaborations.
